

Do You Want to Play Sports in College?

Talk to your counselor no later than your Junior Year!

Register for NCAA at www.eligibilitycenter.org

Great resource to help track your eligibility (does not register you with NCAA):

www.corecoursegpa.com

School ID: 450270

School Code: 727620033

www.2point3.org - Great website to help you navigate the NCAA.

Important to remember!

* Test score rule: Test scores must be reported to the eligibility center directly from ACT or SAT (not valid on high school transcript).

* High School core-course list: Is yours up to date? Verify the classes you are taking and/or scheduled to take appear on your high school's approved core-course list. Make sure to talk with your counselor to get this paperwork.

* Amateurism questionnaire and final authorization signature: Remember to log back in to your account and finalize your amateurism questionnaire before you enroll in college. If you are beginning school in the fall semester (August), you will need to complete the amateurism questionnaire and sign the final authorization signature on or after April 1 prior to enrollment. If you are beginning school in the spring semester (January), you will need to complete the amateurism questionnaire and sign the final authorization signature on or after October 1 of the year prior to enrollment.

* Make sure your core courses are not duplicates (ex. Biology and Agricultural Biology are considered duplicates by NCAA, meaning that NCAA will only count one towards eligibility.) Talk to your counselor to verify courses!!!

What Do You Need To do?

* **Grade 9:** Verify with your high school guidance counselor and the online core-course listing to make sure you are on track.

* **Grade 10:** Verify with your high school guidance counselor and the online core-course listing to make sure you are on track.

* **Grade 11:** Schedule an appointment with your counselor. Register with the eligibility center at www.eligibilitycenter.org. Make sure you are still on course to meet core-course requirements. After your junior year, send your high school transcript to the eligibility center. When taking the ACT or SAT, request test scores to be sent to the eligibility center (code 9999). Begin your amateurism questionnaire.

* **Grade 12:** When taking the ACT or SAT, request test scores to be sent to the eligibility center (code 9999). complete the amateurism questionnaire and sign the final authorization signature online on or after April 1 if you are expecting to enroll in college in the fall semester. (If you are expecting to enroll for spring semester, sign the final authorization signature on or after October 1 of the year prior to enrollment.) Send a final transcript with proof of graduation to the eligibility center.

Other helpful resource:

The Utah School Counselors Association (USCA) is proud to provide a new nonprofit service designed to assist families in being properly educated about the athletic collegiate recruiting process.
