Weber High School Profile

Weber High School is located in Pleasant View, Utah. We have over 1900 students and most are from middle to upper class homes. Expectations from family, faculty, and administration are high. Students here are very respectful and considerate of their peers and adults. Most students are high achieving and 85% will go on to pursue additional education at either a four year or two year institution of higher learning.

Below are listed the classes we offer as Advanced Placement, Honors, and College Prep. The level of difficulty of the class is in order. (AP being most difficult, Honors next, etc.). Weber High also offers 39 Concurrent Enrollment classes.
